Te Kura Tuarua o Opunakē

## Stationery List

### Basic Stationery - All Students

School bag  
Pencils & Sharpener  
Blue, Red, Black, Green pens  
30cm Ruler  
Erasers  
Scissors  
Glue Stick  
Scientific Calculator\*  
Refill paper and ringbinder/folder  
Colouring pencils/pens^

**BYOD** - Bring Your Own Device information is located on the Resources tab on our school website. All students are required to provide a chromebook or laptop for learning. Minimum recommended specifications are 4GB Ram and 64GB Storage.

\*Students need access to a scientific calculator - Casio fx82AU Plus II at a minimum. This is a requirement for the Numeracy CAA (test) that all students sit from Year 10. NZQA states that students entering Mathematics and Science NCEA standards are disadvantaged if they do not have a graphics calculator (Casio fx9750GIII.)

^Optional but recommended

### Junior Subject Stationery List

In addition to the above requirements, all Year 9 and 10 students require the following:

2 x 1E5 Maths book  
5 x 1B5 Exercise book (2x Social Sciences, 1x English, 1x Option subjects, 1x Spare)

### Senior Subject Stationery Lists

If the subject is not listed below, only the basic stationery above is required
